

# Troy Community Farm Soil Mix

---

## Soil Mix Recipe

- 1 5-gallon bucket compost, sifted through 1/4" hardware cloth
  - 2 ½ cups of soil amendment mix (premixed as below)
  - 1 bucket sphagnum peat, sifted
  - ½ cup lime to balance the acidity of the sphagnum peat
  - 1 bucket black peat, sifted
  - ½ bucket perlite
- Mix all thoroughly

## Soil Amendment Mix

- 1 part blood meal, alfalfa meal, or soy meal for nitrogen
- 1 part rock phosphate, for phosphorous
- 1 part green sand, for potassium and micronutrients
